❖ **Minutes**

Bill Campbell presented the un-approved minutes of the October 23rd master plan committee meetings.

Pat Baker made a motion to accept the October 23rd minutes, Tom Finnegan second, all voted to accept.

❖ **New Business**

Everyone completed their project from last meeting entering the 107 manual surveys into some form of spreadsheet – choice was excel. Copies of all were circulated.

Pat Baker has review all manual survey and made the general statement – residences commented on rural character, keeping taxes low, recreation areas and internet services.

Dick Schmidt worked with SWRP and identified the availability or lack of availability of high speed internet. High speed is defined as 3 Meg-bits or faster.

Everyone agreed to update their section with the Survey monkey data. Bruce Smith agreed to send their section of the 27 surveys in Survey Monkey for updating.

Each member will work on one or two goals for their section before next meeting.

Pat Baker made a motion to adjourn, Dick Schmidt seconded, all voted in favor.

Meeting adjourned at 8:13 PM.

Next meeting January 13th at 7:00PM

Respectfully submitted

Bruce Smith
