Introduction of all members present and circulation of Lauren's notes in reference to RSA 674:2 from the Planning Board and copies of the 2003 Master Plan as needed.

The first discussion was the need for a Chairman for the Master Planning Committee – Pat Baker nominated Bill Campbell as Chairman. All members agreed by consensus.

Pat Baker asked if Robert's rules of Order or majority consensus could be used for this work committee. Bruce Smith will check with Lauren at the Planning board meeting next week. Members favored a majority consensus.

Copies of the Master Plan 2003 appendix containing the old survey were circulated. All members support the use of a survey for the next update to gain the interest of the town residents and direction.

All members agree to review the old survey used in 2003 and bring suggestion to the next meeting. Everyone also agreed to review which sections to edit for the next plan.

Meeting adjourned at 8:25 pm

Respectfully submitted  
Bruce Smith
